

FOUR SEASON RESORT MALDIVES AT KUDA HURAA

LOCATION

Welcome to Four Seasons Resort Maldives at Kuda Huraa. A 25 minutes speedboat ride from Malé, this Maldives resort, infused with Maldivian village charm, has a vibrant garden island all to itself. Sail to the Resort's Island Spa for an afternoon of natural bliss. Embark on a snorkelling shark safari, find your perfect wave at our Surf School, or cast away for a day on a Robinson Crusoe adventure. Celebrate your Maldives vacation with infinite views of sea and sky, sunshine and stars, and discover the unforgettable, on land and at sea, right at your doorstep.

The Republic of Maldives is a cluster of Atolls in the Indian Ocean, Southwest of Sri Lanka. The island of Landaa Giraavaru is unspoiled natural wilderness in the remote Baa Atoll of the Maldives. The Resort is 30 minutes by seaplane or 75 miles/ 120 km from the Male Airport (on the island of Hulhule).

ACCOMMODATION

The Resort's 102 thatched bungalows and villas occupy vast private areas on the beach or over the lagoon.
