

SONEVA FUSHI RESORT

LOCATION

Soneva Fushi, the first “Robinson Crusoe” style hideaway in the Maldives, is set on the privately owned, tropical island of Kunfunadhoo in Baa Atoll. The resort can be reached with scenic 30-minute sea plane flight with 1,400 metres long and 400 metres wide. It is one of the largest islands in Maldives.

ACCOMMODATION

Soneva Fushi offers just 65 villas, which capture the very essence of a luxurious castaway fantasy. The Jungle Reserve and the two Retreats offer the premier accommodation. Each villa opens to its very own stretch of white sand beach just a few steps away, whilst many also include private sea water swimming pools. Each bathroom extends to a private garden, whilst utmost care is given to the environment.
